To whom it may concern,

My name is Aquiline Rener-Arnold and I am a former member of the Iberia Parish Council. My question is I am there is a two year waiting period before I could work for parish Government, the job that I am interested in is the Registrar of Voters position that will be coming up in the month of April will I be able to apply for this job? After doing some research I did find out the council will do the appointment but the registrar does work directly for the Iberia Parish Council it would be for a separate agency the Secretary of State. Please provide me with information as soon as possible.

Thanks
